

Concerns about retirement are enough to keep anyone up at night.

WHAT KEEPS YOU UP AT NIGHT?

This checklist has common questions that concern people who are planning for their retirement.

Have you asked yourself any of these questions?

- Am I saving enough or will I outlive my retirement savings?
- Am I saving enough to leave something to my children/grandchildren?
- Am I covered in the event my spouse or I need Long-Term Care?
- Can I protect my savings against losses in the stock market?
- Am I taking too much risk in my 401(k), 403(b) or other retirement plans at work?
- When should I claim Social Security to maximize lifetime income?
- What are the risks to my retirement savings if my spouse passes away?

If you checked any of the boxes — we need to talk.
